

# Atlas Travel Series

Health Coverage that Goes Far & Beyond

International travel involves risk. Risk can take many forms, including recreational accidents, food borne disease, and automobile accidents, among others. Oftentimes the insurance you rely on in your home country will not cover you while you are abroad. MultiNational Underwriters® (MNU) offers the Atlas Travel Series, one of the industry's leading international insurance products, to protect you while traveling outside of your home country.

#### The Atlas Series is ideal for:

- Vacations
- Study Abroad
- Corporate Travel (short to mid-length)
- Extreme Sports Trips (with purchase of Hazardous Sports Rider)

If you are traveling outside your home country and are at least 14 days old, you are eligible for coverage. Coverage is available for periods of 5 days to 12 months!

#### Emergency Medical Evacuation and Emergency Reunion

Would you know what to do if you found yourself in a life-threatening situation far from home? MNU is experienced in arranging Emergency Medical Evacuations. The Atlas Series will cover the necessary expenses to transport you to the nearest medical facility qualified to treat your life-threatening condition. We also understand the importance of family support in these difficult situations. The Atlas Travel Series will also cover the transportation, lodging and meal costs for a relative to join you after an Emergency Medical Evacuation.

#### Repatriation of Remains

What would your family do if disaster strikes while you are away from home? The death of a loved one is never easy, no matter the circumstances. In the unfortunate event of your death while traveling abroad, the Atlas Series will arrange for and cover the costs associated with the repatriation of your remains.

#### Hospital Indemnity

If you are hospitalized, the world around you does not stop. What's more, in some places hospitals do not provide their patients basic necessities like meals, toothpaste or soap. If you are hospitalized as an inpatient for treatment of a covered illness or injury, the Atlas Series will provide \$100 for each night you spend in the hospital.

#### Trip Interruption

One of a traveler's biggest worries is the safety of his or her home while away. If you learn that a catastrophic event like a tornado, hurricane or flood has caused severe damage to your home while traveling abroad, the Atlas Series will cover the cost of a one-way, economy class ticket to the airport nearest your home.

#### Other quality benefits offered by the Atlas Travel Series:

**Return of Minor Children:** If you are expected to be hospitalized for more than 36 hours due to a covered injury or illness and covered children under 18 years of age will be left unattended as a result, the Atlas Series will cover the transportation cost for the children to return home.

**Complications of Pregnancy:** The Atlas Series offers coverage for Complications of Pregnancy during the first 26 weeks of gestation.

**Terrorism:** In these turbulent times, the risk of a terrorist attack is a reality. If you are in the wrong place at the wrong time, the Atlas Travel Series offers coverage for injuries resulting from these acts.

**Political Evacuation:** If, during the coverage period and after your arrival, the United States government issues a travel warning for your destination country, the Atlas Series will coordinate your alternate departure arrangements from that country and cover the associated costs.

**Optional Hazardous Sports Rider:** If you plan to participate in hazardous sporting activities such as mountain climbing or whitewater rafting, you may consider our Sports Rider. This optional rider will provide medical coverage for injuries resulting from an accident during participation in one of these activities otherwise excluded from coverage.

**Hospitalization & Outpatient Treatment:** If a covered illness or injury requires hospitalization, the plan provides coverage for costs associated with hospitalization care, including intensive care, and outpatient treatment.

**Natural Disaster Benefit:** Natural disasters can happen anywhere and at anytime. If a natural disaster occurs while on your trip causing you to become displaced from your accommodations, the Atlas Series will provide relief of \$100 a day to help cover the costs of alternative accommodations.

#### Home Country Coverage

**Incidental Visits:** For each three month period of continuous coverage, you are entitled to 15 days of coverage against covered injuries or illnesses that occur during a temporary visit to your home country. The purpose of your trip home must not be for obtaining medical treatment for an injury or illness that began while traveling abroad, and you will be required to continue your international trip.

**End of Trip:** The Atlas Series offers optional 30-day medical coverage in your home country upon return from your international trip. You must have maintained coverage for at least six months to be eligible for this coverage.

**Benefit Period:** If you are treated for a covered injury or illness while traveling internationally, the Atlas Series will provide 180 days of coverage, beginning on the day of diagnosis or treatment, for that condition whether you are at home or abroad.
